"Online-only certification is a temporary solution to allow Californians the ability to fulfill their hunter education requirements and obtain a hunting license during these unique times," said David Bess, CDFW Deputy Director and Chief of the Law Enforcement Division. Legal Requirements for Hunting in Tennessee Online Hunter Education Courses In-Person Hunter Education Courses Bow Hunter Education Courses Trapper Education Courses In an effort to introduce new hunters to the sport, we have developed a new type of hunting license designed especially for people who may wish to sample the pleasures of Tennessee's many hunting opportunities. The Agency's Apprentice License (Type 012) will provide an exemption from Tennessee's Hunter Education requirements for anyone ten years of age or older for a period of one year from the date of purchase. This license may be purchased for up to three years consecutively. Because all classroom instruction opportunities have been suspended, California will temporarily waive the in-person requirement, allowing students to complete the full course of instruction online. Many states require hunter education certification regardless of age. It exempts the hunter from the mandatory hunter education law for one year from the date of purchase, but may only be purchased for up to three consecutive years during the lifetime of the hunter. Tennessee Code Annotated 70-2-108 became law in 1985 and states: (a) Every person born on or after January 1, 1969, before hunting, shall possess, in addition to all other licenses and permits required, proof of satisfactory completion of an agency-approved hunter education course. Students who are currently "in progress" on the course will receive their full certification upon completion. CDFW advises new hunters to set a goal of completing the online certification by May 31, to allow time for the automatic update of their CDFW license profile. Outside firearms and ammunition are strictly forbidden and will not be allowed inside the classroom. (This is known as "reciprocity.") If you fail a unit quiz, you can take it again until you pass. You have successfully completed the online course once you have passed the unit quizzes. More information is available at . \*\*Any resident that may still need to take a three hour course will be able to take it as a part of a full day course when classes resume.
